

TECHNICAL DATA SHEET EVER CLEAN

EVER CLEAN

DESCRIPTION

EVER CLEAN is a Crystal Clear Marble Cleaner Shampoo Concentrate that cleans, maintains, and protects marble, granite, and natural stone floors. It helps preserve the worth, lifespan, and natural look of marble flooring. After crystallization, it provides a smooth, highly slip-resistant finish. Specially formulated for natural stones like marble and granite, **EVER CLEAN** effectively cleans without damaging the stone's natural texture, retaining its original shine. This powerful, acid-free formula removes all types of soiling, dirt, dust, grime, and yellowing from natural floors without affecting their surface. It is biodegradable, safe for babies and pets, and made with ingredients safe for human health. Being a concentrated formula, it is very economical — only a small amount is needed for excellent cleaning. Importantly, unlike normal cleaners, it does not cause yellowing or sulfur injection over time on white marbles.

INSTRUCTIONS FOR USE:

- **Dilution:** Mix 15–20 ml (around 2 tablespoons) in 1 liter of water (half a bucket).
- Spread the solution over the area to be cleaned and wait for 4–5 minutes.
- For heavy soiling or accumulated dirt, scrub lightly with a soft scrubber and then rinse with clean water.
- For daily cleaning, simply mop the floor using the diluted solution.
- Concentrated formula.
- Ideal for natural stone, marble, and granite surfaces.
- Acid-free and non-damaging.

STORAGE AND SHELF LIFE:

Store in a cool and dry place. Keep the container tightly closed when not in use.
Shelf life is 12 months from the date of manufacture under proper storage conditions.

SAFETY MEASURES:

- Keep out of reach of children.
- Keep the container tightly closed.
- Wash hands thoroughly after handling.
- If on skin or hair: Remove contaminated clothing immediately and rinse skin with water.
- If inhaled: Move the person to fresh air and keep comfortable for breathing.
- Call a doctor/physician or Poison Center if feeling unwell.

PACKAGING:

Available in 1 Litre and 5 Litre packs.
