

TECHNICAL DATA SHEET

HARDNER CLEAR

HARDNER CLEAR

DESCRIPTION

HARDNER CLEAR is a fast-acting specialty cleaner formulated to effectively remove hard water stains, limescale deposits, and stubborn soap scum from taps and shower surfaces. Ideal for regular maintenance, it restores a glossy shine and ensures spotless CP fittings and sanitary ware.

FEATURES/BENEFITS

- Ready to use
- Fast acting
- Easy to use
- Ideal for interior & exterior CP fittings and sanitary ware

AREA OF APPLICATION

- For interior & exterior cleaning applications of CP fittings, sanitary ware, and fixture surfaces

MIXING AND APPLICATION Note: Shake the container well before use.

Apply on a small area to check for any adverse reaction with the surface. Gently shake the container and spray the cleaner on CP fittings, sanitary ware, basins, etc. Spread the cleaner with a soft scrubber and leave it for 1–2 minutes. Gently rub and rinse with water to get a glossy shine. For heavy stains, spray over the spots, scrub, and rinse with water. Repeat if needed for better results.

SUITABLE SUBSTRATES

Ceramic tiles, vitrified tiles, glazed surfaces. Not recommended for use on natural stones or acid-sensitive surfaces.

AVAILABLE PACK SIZE

1000ml, 5000ml

SHELF LIFE

12 months if stored in cool and dry area in unopened container. Shelf life is calculated from the month of manufacturing of the product.

STORAGE AND HANDLING

Store in cool and dry area in unopened original container.

CAUTION

- Store in a cool and dry place
- High temperature or moisture will affect the product
- Use the product soon after opening
- Avoid direct eye contact or prolonged skin contact. In case of eye contact, rinse with water for 15 minutes and seek medical attention
- Keep away from children

COVERAGE

Approximately 50 to 200 sq.ft per litre. Coverage may vary depending on surface porosity, stain intensity, and application method.
