

TECHNICAL DATA SHEET
LEXA SHINE PLUS

LEXA SHINE PLUS

DESCRIPTION

Lexa Shine Plus is a solvent-based sealer designed to impregnate and eliminate defects in natural stones. It enhances the color and appearance of the surface by darkening it, hiding small imperfections, and making the surface more homogeneous. Ideal for use on dark-colored granites and marbles, such as Nero Zimbabwe, Black Impala, Black Africa, and similar natural stones, it offers superior protection and enhancement.

Water repellent (hydrophobic)

Long-lasting color enhancement

Deep penetration

Exterior and interior use

UV resistant

Prevents efflorescence

Hides small imperfections and eliminates defects

TOOLS REQUIRED FOR APPLICATION:

Brush Spray

APPLICATION AREA:

Used on all absorbent or polished natural stones, including marble, granite, limestone, travertine, terrazzo, terracotta, and concrete. Especially formulated for dark-colored granites or marbles like Nero Zimbabwe, Black Impala, Black Africa, and similar stones.

INSTRUCTIONS FOR USE

- Ready to use
- For best results, the material must be polished with 600-800 grit.
- Ensure the granite is completely dry (using an oven or leaving it outside).
- The product can be applied by hand or with an automatic waxing machine.
- Allow the product to dry for at least 24 hours (warm climates or ovens may shorten this time).
- Polish with 2 or 3 heads according to the sequence of the polishing line.

COVERAGE:

20-30 m²/kg

TECHNICAL DATA

Appearance	Clear liquid
Odor	Typical
Density	0.89 ± 0.02 gr/cm ³
Type	Solvent based
pH	5.5

STORAGE AND SHELF LIFE:

Store in airtight, original containers at temperatures not exceeding 30°C, protected from direct sunlight and heat. The shelf life is 24 months when stored properly.

CAUTIONS:

- Ensure the surface is free of water, dust, or dirt for uniform application.
- Always test a sample before full application to determine the material's compatibility.

PACKAGING 1000 ml, 5000 ml

SAFETY MEASURES:

- Keep out of reach of children.
- Keep away from heat/sparks/flames. No smoking.
- Store in a cool, well-ventilated place.
- Use protective gloves, clothing, and eye protection when handling.
- If contact with skin, wash immediately with soap and water.
- In case of inhalation, move to fresh air and seek medical attention if necessary.
- Dispose of contents in accordance with local regulations
